STUDENT CHECKLIST

❏ **Review all Game Guidelines to make sure your game meets competition requirements**
Please see: biit.ly/G4C-GameGuidelines

❏ **Get approval and contact details from a teacher/parent/guardian (for students <18 yrs. old)**
You will be asked to provide their name, email, and phone number in the entry form.

❏ If working in a team of 2-4 people, **select a Team Leader**
This person will complete the entry form and be the primary point of contact for the team

❏ **Identify which email address you want to provide** in your submission form
if you have more than one email address, select the one that you use/read most frequently!

❏ **Identify the game URL and test the link to make sure other players can access it**
Have a friend test the game URL to make sure the link works!

➔ In Scratch, you must share your game by selecting the orange "Share" button located at the top/center of the screen. *This takes you to a new, shareable URL,* which makes your game public. Use this link in your entry form! (See: How to Share a Scratch Video Game)

❏ (Optional) **Identify any additional materials** you want to share w/ judges in your entry form
For example: art/drawings, a storyboard, game design document, etc.

❏ (Optional) **If entering the Game Accessibility Challenge**, prepare a 'gamer profile' and description of your accessibility features (<500 words). Learn more here.
